

INFORMATION FOR COURSE CHOICES FOR JUNIOR INTER-AREAS INDIVIDUAL COMPETITION

The Junior Inter-Areas is an annual weekend event that takes place between Juniors from East, West and North orienteering clubs. A relay is held on the Saturday (this year at Scolty on 9th November), with the individual event taking place on the Sunday. This year's individual event is part of the MAROC Cambus O'May event on Sunday 10th November.

Entry for the relays is through area managers, while entry for the individual event is via the event online entries on Fabian (<http://www.fabian4.co.uk/>).

For the individual event Juniors are encouraged to run at their age class A or B standard (whichever is their normal competition level) – details below. Juniors can run up a course, in which case they will be scored at the higher age class, so a W14 running Green will be scored against W16s. The Green course does not count for Junior men in the Inter-Areas - eligible courses for M14A and above are Light Green (M14A/M16B) or Blue (M16A/M18B).

If you choose to run at the B standard for your age class please can you let your Area Manager know so that eligibility based on your normal competition can be confirmed. Area Managers are: Katherine Ivory (East), Roger Goddard (West) and Jenny Hall (North).

If you would like further information on the competition please contact North Area organiser Jenny Hall at schools@invocmail.org.uk
